Cane Ridge Baptist Newsletter

Greetings!

WORSHIP

One of the purposes of the church is worship.

God desires worship not because He is vain or insecure but because it is simply the right thing to do. Worship removes us from the center of our life and places God there where He deserves to be. When we worship Him we are raptured from this world into the presence of God where He is being worshipped and praised eternally.

Worship is the overflow of our pleasure and joy in Him. A.W. Tozier said he would put a rug on the floor and lay down on his face and worship the Lord for three or four hours.

How is your "Worship Life"? The highlight of my day is when I am alone worshipping Him. Not to enjoy God is to dishonor him. For something to satisfy you more than God is sacrilege. Pursue Him! Drink deeply of the pleasure which is God.
