Earnestly Contend for the Faith

Jude 1:3

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort [you] that ye should earnestly contend for the faith which was once delivered unto the saints.

Last night I heard a news journalist (I use the term loosely) say with horror in his voice that one of the candidates in the coming election was a creationist. He continued to suggest that a literal belief in the Bible should disqualify one from serving in public office.

In these last days we who stand for Biblical truth will be labeled intolerant, unloving, uncooperative, and ignorant. Let me encourage you to boldly stand and fight for truth. This does not mean we should be unkind or rude. But we cannot compromise our fundamental beliefs or the integrity of the gospel.

Contend means to fight and there are some things worth fighting for earnestly. To the accusation of intolerance I say yes. I am as intolerant of false doctrine as I am of poison being given to my granddaughter.

To the charge of ignorance I too must plead guilty. Compared to all knowledge of the universe we are all ignorant. But I don't need to know every path in the forest just the one that leads home.

Be strong, be bold, and be courageous.

Pastor Carl
