

Cane Ridge Baptist Newsletter

Greetings!

I was reading an article written by Albert Mohler Jr. president of Southern Baptist Theological Seminary in which he discusses the denial and attack on the doctrine of the virgin birth by some of the main line denominations.

A widely publicized survey by Jeffrey Madden showed that about 60% of Methodist clergy did not believe in the virgin birth and 82% did not believe the Bible is the perfect Word of God.

Liberal theology, the emergent church and the ecumenical movement are all tool of the enemy to bring apostasy to our churches in these last days.

Why is the Virgin Birth So Important?

For the credibility of scripture.

For the incarnation of Christ.

For the holiness of Christ.

For the deity of Christ

For the Sonship of Christ.

During this Christmas season let's thank God for the miracle of the virgin birth.
