

Greetings!

This past Sunday we honored some of our folks for their service to our church during our first year. The Bible teaches that we should give honor to whom honor is due. I was thinking this week about how blessed we are to have some wonderful people who God has lead to help us.

I thought of the passage of scripture in I Samuel 10:26 "And Saul also went to his house to Gibeah; and there went with him the host, whose hearts God had touched." I truly believe God has touched our hearts to bring us together.

There were others that we could have honored and I am very thankful for them. I feel like I need especially to mention my family who has sacrificed and done so much to help us.

My wife, Kathy has been helping me serve the Lord for over 35 years. My children and daughter in laws have been awesome in getting this church plant going. I sense the Lord is bringing in others to join our "Dream Team" It will be exciting to see what God will do in our second year.

Family Ties

Satan is attacking our families like never before. We need strong families in order to have a strong church. Starting this Sunday and continuing every Sunday in February I will be preaching on the family. We are also asking every family to bring another family during our series "Family Ties".

LifeKIDS

Jake has issues. A kid's life isn't always as easy and care-free as it seems. He's got all kinds of difficult people popping in and out of his life-an unfair teacher, a whiny friend, a cranky cafeteria guy, and no school's complete without a bully! How can he cope with it all and still live a life that honors God? We'll follow him around for four weeks to see how his choices can make a big difference in his life and in the lives of those difficult people he faces everyday..
