

Greetings,

Israel is a major topic of the Bible. The word "Israel" occurs 2,565 times in 2,293 verses.. More than enough prophecies have already been fulfilled in Israel's history to prove that, "the God of Israel (203 times) is the true God.

As I am writing this article the Prime Minister of Israel Benjamin Netanyahu will be meeting in a few hours with President Obama to discuss Jerusalem.

Zechariah 12:2-3

Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah [and] against Jerusalem. And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.

This is an amazing prophecy not only that Jerusalem would be a burden to the whole world, but that all people shall be against her. More than 60,000 individual votes have been cast in the UN against Israel.

God's anger is growing hotter against the nations of this world for robbing Israel of what He gave her. Yet in continued defiance of God, every peace proposal that the West has imposed upon Israel has included further dividing of God's land.

President Bush, a professing Christian, originated the so called "Road Map to Peace" which calls for dividing the land of Israel. He ought to tremble and repent, as should President Obama, the EU, and the UN.

Ezekiel 38:16

In the latter days...I will bring thee against my land...my fury shall come up in my face...there shall be a great shaking in the land of Israel...the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things [on] the earth, and all the men [on] the face of the earth, shall shake at my presence...[all nations] shall know that I am the Lord.
