

Greetings!

No, I have not become a "Prosperity Preacher". In fact I believe the judgment of God is about to fall on these "Ear Ticklers". But I believe we can live wealthy lives. I believe no one is living a more wealthy life than me. I have something many rich people don't have, enough.

Being rich is when your "haves" equals your wants. There are two ways you can accomplish this. Either increase your "haves" to equal your wants or, you can trim your wants to equal your "haves". I learned this formula from my former Pastor years ago. I hope it will help you.

There Are Three Things In This World

1. What I have.
2. What I do not have that I can have.
3. What I cannot have.

There Are Three Attitudes

1. To want what I have = Happiness
2. To want what I can have = Acceptable
3. To want what I cannot have= Unhappiness

Much unhappiness comes from wanting something you cannot have. It may be attention, possessions or your own way.

Three Things To Do

1. Enjoy what I have
2. Do not seek what I can have.
3. Do not know what I cannot have.

1 Timothy 6:6 "But godliness with contentment is great gain."
