

Greetings!

When I Sing to Him

One night the burdens were heavy and my soul was restless. My thoughts kept stirring in my mind and I could find no peace. I cried out unto the Lord to help me. Soon I heard in the intuition of my spirit, "Sing to Me".

As I started to sing to Him an amazing thing happened. My darkness turned to light and my burden evaporated. My soul was full of joy and I was having a wonderful time with my Father.

It does not matter how good your voice is or if you can stay on key . Our Father loves to hear us sing to Him (the Devil hates it).

I sang to Him for hours as tears of joy flowed down my cheeks and into His tear bottle. About three thirty in the morning I told the Lord I did not want to stop but I would be really tired the next day. He reminded me that, "They that wait upon the Lord shall renew their strength".

Is your soul burdened down?

Do you not know what to do?

Sing to Him!
