

Greetings!

Warning! Danger Ahead!

Intelligence networks, radar systems, deep-water buoys, and Doppler radar exist to warn us of terrorist attacks, approaching missiles, tsunamis, and dangerous tornadoes. We invest so much to protect human life as it is the most valuable of God's creation.

There is one warning system that the government cannot implement; it can only be carried out by those who know the Lord Jesus and His Word. The warning is this: "God intends to judge the world in which we live; His righteousness requires it."

We are studying on Sunday nights the "Terrible Tribulation". As I once again examine the horror of God's wrath on this world I am reminded of my responsibility to warn those so close to this danger. C. H. Spurgeon said, "If you are not seeking the Lord, judgment is at your heels."

Have you warned your friends of the gathering clouds of God's judgment. Colossians 1:28 "We proclaim Him, warning and teaching everyone with all wisdom, so that we may present everyone mature in Christ."

Find a Growth Group

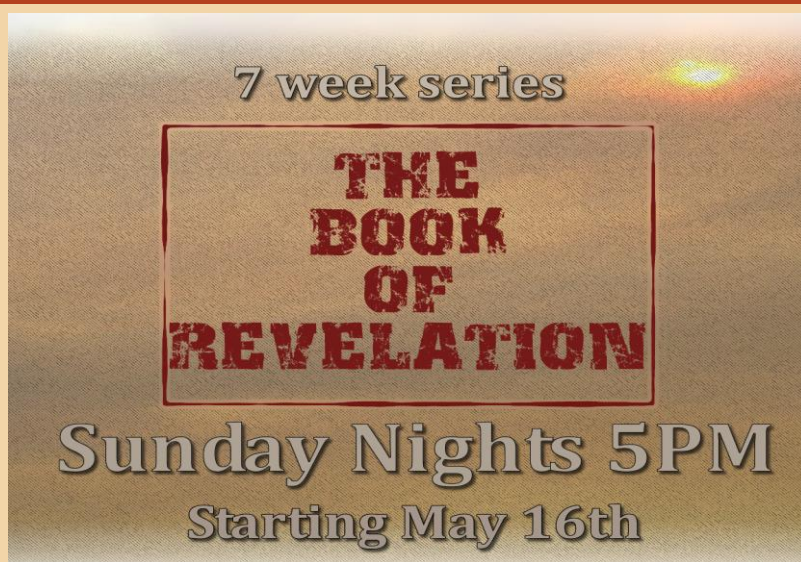

Groups, like nothing else, provide a place to build authentic relationships in a personal, comfortable environment. Here, we hang out, catch up, and join in dynamic discussions about spiritual truth & growth...with people just like ourselves. We just plain have fun! Our goal is to build a community where nobody stands alone.

HOSTAGE

We're all held hostage by something...what is your captor? Maybe it's fear, pride, lust, or even jealousy. The good news is that our ransom has been paid in full. Join us for the five week series "Hostage" and discover how to truly break free, once and for all, from the ties that bind.

The Book of Revelation

Join us on Sunday Nights for "The Book of Revelation". We will be studying the tribulation in chapters 6 - 12.

LifeKIDS

The Bible tells us that God is love. It says we must love God and love others. But what doesn't that even mean? I love tacos. I love my mom. I love my chinchilla. When we talk about love we can mean lots of different things. But in 1 Corinthians 13, God lists a full description of the kind of love He's talking about. In Love Wins, we will take this list to heart and take a close look at how we can live out God's love and show the world how He has changed our hearts
